

Costume Deposit 2019

Planning for our 2019 Student production is under way! Mark your calendars for the DEAC **Dress Rehearsal on June 13 & 14 & Recital on June 15**. Costume selection for the dance studio begins now & orders are placed in early November to ensure that we receive them in time for embellishment & completion of accessories for picture days (March 26, 27, & 28).

Participation in the annual production is optional but highly suggested & exciting. The entire year's work & improvements for each student is highlighted to share with our families and friends.

Costume Deposit #1 is due to the studio no later than October 15th.

There are no refunds on costume deposits after November 12th, NO EXCEPTIONS.

Costumes will only be ordered for students whom have paid the necessary deposit and do not have delinquent tuition accounts.

- **Intro to Dance, Pre Dance, & Level 1 Combo will require only 1 costume: \$40 deposit**
 - **Level 2 & 3 require a \$30 per class/per costume/per dancer**
 - **Level 4 & 5 Students require \$40 per class/per costume/per dancer**
- **Boys require (1 pair) black pants & then appropriate top to match genre \$40 for 1st class & \$20 deposit each additional class**
- **Students in 5 or more classes deposit→\$240.00 per dancer maximum deposit required**

DEAC will try vigorously to keep costume costs low for our families that participate in multiple disciplines; this will be reflected in the final costume payment in January. Costumes range between \$65-\$80 each depending on level, class, & whether the costume is able to be used for multiple classes. As a reminder, the Winter Showcase assists DEAC in keeping costume costs low & maximizing accessories and does NOT require a costume.

Please advise the office if your child is NOT participating in our performance by October 16th.
